**Fixed Site Pollution Liability Renewal Application**

## Important Notice

---

The Information provided in this proposal will form the basis of any contract of insurance entered into. This insurance is provided on a claims-made form. Please read the following notices carefully and ensure you answer all questions in full and read and sign the Declaration at the end.

## For Claims Made Insurance

---

This is a proposal for a 'Claims Made' policy of insurance. This means that the policy covers you for any claims made against you and notified to the insurer during the policy period. The policy does not provide cover in relation to:

- pollution conditions that occurred prior to the retroactive date (if one is specified) in the policy;
- any claim made, threatened or intimated against you prior to the commencement of the policy period;
- any claim or fact that might give rise to a claim, reported or which can be reported to an insurer under any insurance policy entered into before the commencement of the policy period;
- any claim or fact that might give rise to a claim, noted in this proposal or any previous proposal;
- any claim arising out of any fact you are aware of before the commencement of the policy period;
- any claim made against you after the expiry of the policy period.

However, the effect of Section 40(3) of the Insurance Contracts Act 1984 (Cth) is that where you become aware, and notify us in writing as soon as is reasonably practicable after first becoming aware but within the policy period, of any facts which might give rise to a claim against you, any claim which does arise out of such facts shall be deemed to have been made during the policy period, notwithstanding that the claim was made against you after the expiry of the policy period.

## Your Duty of Disclosure

---

Before you enter into a contract of general insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 (Cth), to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

This includes but is not limited to every fact and matter that you know, or could reasonably be expected to know that might give rise to a claim against you. This may also include information which is additional to the questions asked in this proposal form.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance. This means that prior to renewal or any policy variations, as well as advising of new information, you also need to advise the insurer of any changes to the facts previously notified.

Your duty however does not require disclosure of matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of its business, ought to know;
- as to which compliance with your duty is waived by the insurer.

## Non Disclosure

---

If you fail to comply with your duty of disclosure or make a material misrepresentation to us, the insurer may be entitled to reduce their liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning and therefore decline to pay any claim. This means that your policy would be deemed to have never existed and no claims would be payable.
